

FEDERATED AUTO PARTS

FOCUSED ON YOUR BUSINESS AND SUCCESS

Federated Auto Parts is an Automotive Program Distribution Group based in Staunton, VA. Our Members & Affiliates distribute and sell vehicle parts, accessories, chemicals, plus tools and equipment. Federated currently has 62 Members that operate over 1,000 stores and is a major automotive aftermarket force with representation in 50 states, Canada, Mexico.

Federated has always been focused on servicing the professional installer customer which means you will receive the customer service you deserve by professionally trained Federated teammates. We carry Name Brand parts that you know and trust which means that they fit and perform just like the parts that came on the vehicle from the factory.

Federated has our own state of the art catalog (developed in-house) to guarantee your locations get the correct part every time.
